

Submitter:

Melissa Johnson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

As an Oregon voter, I strongly urge you to preserve our vote-by-mail system. Oregon has been a national leader in accessible, secure, and efficient elections for decades. Vote-by-mail eliminates barriers for people with disabilities, caregivers, working parents and others who may find in-person voting challenging. Please protect what works! Undermining this system would be a step backwards for democracy in our state.
