I oppose this bill to eliminate mail-in voting for Oregonians. Forcing citizens to vote in person is a form of voter suppression. Not all people have the ability or the means to stand in line for hours upon hours in order to cast a ballot. Sometime I take multiple days to think on issues as presented in the voter guide in order to make my vote. Voting in person would put a tremendous burden on our citizens as it is in other states. There is less fraud in our current system than others and tracking my ballot is easy in our current system. Again, I passionately oppose this bill to eliminate mail-in voting for Oregonians.
