Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I'm concerned that by eliminating Vote-By-Mail it would make it difficult for many to vote thus creating a barrier to the voting process. In particular, not being able to "Vote-By-Mail" in out state's rural areas would force people to drive hours to a voting location. Many cannot take off from work in order to drive hours to a voting center. Repealing Vote-By-Mail would block many eligible Oregonians from exercising their legal right to vote. As such, I oppose SB 210. Thanks, Phil in Eugene.
