

Submitter:

William Irvine

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose any change to vote-by-mail as the standard. Any attempt to make voting in-person as the standard is an attempt at voted disenfranchisement. I have disabilities that make voting in person unpredictably difficult, particularly if I have to wait in line. Regardless of disability, voting by mail allows for much better understanding and research of any proposals and candidates. Changing this standard away from vote-by-mail is anti-democratic.
