I am legally blind, and do not have a license to drive. Vote by mail is fundamental for me and many other Oregonians. We are not an exception. Also, vote by mail enables me to take the time I need to review the issues at home and double check that I fill out the ballot accurately. I have voted in person one time and it was almost impossible for me to use the tool / machine with my visual limitations.

Also, voting by mail has lower fraud, less issues and is less expensive for the state to implement than in person voting. <https://bipartisanpolicy.org/report/mail-voting-is-safe-secure/>
