Senate Committee On Rules

Measure, Appointment or Topic:

SB210

As a long-time Oregonian and a resident of Multnomah county, I think voting by mail is one of the hallmarks of what makes Oregon a wonderful and safe place to live. It allows more people to participate and gives everyone an opportunity to review and research their ballots in a more thoughtful manner. This bill is a naked attempt to reduce the voting rights of Oregonians. Please oppose this bill so voting by mail remains the law in Oregon.
