

Submitter:	Juliana Currie
On Behalf Of:	Myself
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

Please do not change from mail in voting!!!! It is truly the best way to vote. I can sit down at my table and read everything I'm voting on and double check it all before I mail. It helps our disabled son be able to vote too. The only reason they want to try and change this is so they can keep people from voting.
