SB210

I oppose SB 210. I have been a long-time resident of Oregon and have voted ever since I became eligible to vote many years ago. I am an elderly person today and both my husband and I have had surgeries in the last few years that have restricted our driving. Being able to use mail in ballots have allowed us to participate in our democracy and exercise our right to vote. Sometimes the weather can restrict people's access to the polls. We as a democracy should be doing everything we can to make it easier for our citizens to vote not more difficult.
