Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose SB 210 eliminate mail and voting for Oregonian. Voting by mail is convenient for voters, it cost less than administering in-person voting, and increases participation rates.

I love the ability to mail in vote so that I can really sit at home and evaluate all the choices and be bear informed in a calm setting. This also benefits people who are disabled or not able to travel to vote and take time off financially.
