Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I love the ability to mail in my vote and track it. I tracked my ballot all the way to the finish line. We didn't win, but I enjoyed voting by mail. Convenient and safe. To have to stand in line means I won't be able to vote. Can't take the day off. You should NOT ALLOW THE END OF VOTE BY MAIL. It works, is useful and helped save my confidence in the state.
