

Submitter: Jennifer Starr

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

You have got to be kidding. How dare you even think about taking away our right to mail in voting. Fraud is virtually non-existent and it is the right wing attempt to lessen voter turnout. Donald Trump lost the election in 2020, yet the election deniers are still trying to manipulate the voters and vote in mailing. Shame on you for even attempting to do this.
