Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose moving away from mail-in ballots. I lived in Vermont decades ago, where there's no mail-in ballots. During off-elections, my town of 20,000 residents would routinely have about 30 people vote in total. We tend to think of only the general elections but mail-in ballots also boost participation during off-election cycles as well, and will help maintain our current participation rates instead of plunging them off a cliff.
