

Submitter:

Maarika Teose

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

This would drastically reduce access to voting. It would also encourage voter intimidation. In-person voting does not eliminate voter fraud or election tampering, and it limits peoples ability to participate in democracy. I vehemently reject and oppose this bill, mail-in ballots are awesome and I don't want to lose that right.
