

Submitter:

Holly Braun

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose limiting and narrowing the ability to vote. I work a demanding full time job, have 4 step children and serve on multiple non-profit boards. Being able to work voting into my very full and not always predictable schedule may not even be possible without the vote by mail option. The thought of removing this ability feels anti-American. Please fight to maintain this right for us.
