Measure, Appointment or Topic: SB210

I have voted in every election in Oregon since 1980, and have experienced both in-person voting and vote-by-mail. My experience has been that vote-by-mail is highly effective and safe, much more so than standing in long lines and waiting for volunteers to find my name on a lengthy list. In-person voting is a throwback to an old-fashioned era that makes no sense for today's Oregon.
