Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose SB 210. Mail in voting should be the standard voting mechanism. Requiring in-person voting on the day of the election harms the working class who does not have guaranteed Paid Time Off of work to travel to an in person voting center, it harms those with disabilities who require additional assistance to vote, and it harms those who are financially or otherwise burdened by a lack of resources to travel to in person voting centers.
