SB210

Good morning, my name is Claudia Hensel ; I am a gerontologist. I'm reaching out from OR 97405 to express my concern that by eliminating Vote-By-Mail it would make it difficult for many to vote thus creating a barrier to the voting process. Many elderly and frail people are dependent on being able to vote by mail! Also, not being able to "Vote-By-Mail" in our state's rural areas would force people to drive hours to a voting location. Many cannot take off from work in order to drive hours to a voting center. Repealing Vote-By-Mail would block many eligible Oregonians from exercising their legal right to vote. I am OPPOSED to SB210.

Respectfully,

Claudia Hensel
