Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am a constituent of Albany OR. I am writing today to STRONGLY oppose SB210. I have a disability called cervical dystonia (movement disorder), I also have a toddler. Between maintaining my disorder and taking care of my son, this bill would put a burden on me. I am proud that OR. Allows us to vote by mail. It helps me fit it in when I can. This has no partisan support , we do NOT want this changing. Do not make it harder for OR. Folks to vote.
