I have lived my whole life in Oregon and mail in voting is the only way that I have ever voted. It gives me the time to read all the relevant information, be thoughtful in the way I vote, and it allows me to vote without taking a day off work to spend hours in line. Mail in voting has been safe and effective for Oregonians for the 25 years that I've been voting (and likely longer but I don't know when it started). Please keep mail in voting as the primary way that we vote in Oregon.
