

Submitter:

Kay Millspaugh

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Not sure how this works , not to savvy with technology, so want to oppose senate bill 210, I am old and absentee voting allows me to vote easily, physically waiting at polling place doesn't work for me.

Unless you're trying to make it so older people don't vote please oppose this bill.
