

Submitter:

Anita Cassarino

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I support maintaining Vote by Mail in Oregon. It has shown to increase participation by the general public in expressing their selection for candidates and issues. For those of us in the senior population, it is a safe way to cast our ballots and let our opinion be known. Eliminating it would be going backwards on participatory democracy.

Thank you.
