Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Oregon's mail-in voting allows all Oregonians to participate, be it the house bound senior without a car or the busy mother of multiple children. There is NO reason to return to the long lines at polling places which makes it more difficult for people to vote. Being able to conveniently sit at our kitchen tables with our voters pamphlet and make careful election decisions allows all of us to make informed voting decisions. I am opposed to Senate Bill 210 which, in my opinion, is meant to cast doubt on our American election system and make it harder for Oregonians to vote.

I believe it is essential that you vote AGAINST this bill and help to preserve one of the safest voting systems in our country, one that Oregon has been and can continue to proudly support.

Sincerely,
Kate Speckman
