I am a native Oregonian and I'm proud of many things our state has done over the years. Mail-in voting is one of the best! I remember voting in person, and while it was an enjoyable and patriotic experience, I was fortunate to have the time and wherewithal to do it. There was never a time when I had to show my ID, however. Just point to your name and sign, and off you go to vote. Mail-in voting provides the opportunity to really study the candidates and issues, and make thoughtful choices. Please reject this backwards and ridiculous proposal!
