SB210

Unless Oregon also makes election day a paid day off for people, this just a way to suppress voters. Not everyone can afford to take time off to go vote and not everyone can get to the polls on a certain day. I also know that opening up enough, and staffing, polling locations is going to cost more taxpayer money that people can't afford and will not want to pay. I don't believe that SB-210 is in the best interest of all Oregonians and will not make a positive impact on elections going forward.
