

Submitter:	LEE KULES
On Behalf Of:	SB210
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

I used to hate to stand in line for a long time to vote. I do not want to go back to that. I like the fact that I can study the ballot and make the choices in my own home. Let's not go backwards. I strongly oppose this. When I was younger, I had to find someone to watch the kids. But now that I'm a senior citizen, I don't feel like driving somewhere and standing in line. Stop this now!!
