Measure, Appointment or Topic: SB210

I am writing in strong opposition to SB 210. As a parent of a young child, who also works and goes to classes full time, voting in person would place an undue burden on me as a citizen. Voting by mail allows me to also be an informed voter with the pamphlet that comes with the ballot. Oregon's mail in voting program has had bipartisan support for decades and should not change. Do not make it harder for Oregonians to vote.
