SB210

Mail-in voting is one of the greatest privileges we are afforded here in Oregon and one that I am unwilling to part with. With the ability to mail in my vote, I have a chance to sit down and research the candidates and measures being proposed and really consider my options. Also, voting by mail allows me to exercise my right to vote even with my busy work schedule. I find the idea of that being taken away from me to be regressive and undemocratic.
