SB210

Yes, I support SB210. In person, same day voting, with legal citizen ID is my belief. I have lived in Oregon all my life and remember the days of in person voting in our local precincts, with real people accepting our ballots and marking off our name that we voted. I believe it was more secure. There were no mail delays, no lost or stolen ballots, and ballots were counted that night after polls closed with results tabulated by morning. Only legal, absentee ballots fall outside that realm. Voting is a hugely important privilege for citizens. We need to take the time to show up in person to vote and reduce the risk of loss, delay, fraud or manipulation. Vote YES on SB210. Thank you.
