On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose SB210.

Oregon's vote by mail system has worked exceptionally well for a long time. It saves counties and the state money. It is safe and encourages greater civic engagement. It is convenient for working parents, elderly, handicapped, college students, executives ... everyone!

I strongly encourage the committee to vote NO on SB210.
