

Submitter:	Pamela Barney
On Behalf Of:	Myself
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

Vote by mail was overwhelming approved by voters in the State of Oregon and has proven to be absolutely safe, efficient, corruption free, convenient and has enabled our continued high voter turn out year after year! There is no viable reason to change a system that is clearly working just because a certain political party wants to limit and impede the votes thinking this would be to their advantage!! Please keep our vote by mail system!!!
