

Submitter:

Richard Tracy

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Don't fear the voter, unless you have something to hide. Removing avenues for Oregonians to vote is in line with anti democratic values and rule by the privileged class. Do your JOB and REPRESENT! If you can't garner the votes in a fair election process (mail service is nearly available to everyone-while polling places are not) then you have your answer. You're fired.
