

Submitter: Amy May

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

My favorite part of voting in Oregon is being able to investigate my ballot and vote thoughtful from the comfort of my own home. We need more people to participate in democracy, not fewer. Since election day isn't a national holiday, and people are not guaranteed time off to vote, this bill is clearly aimed at disenfranchising the working class. Vote No!
