Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please vote No, I'm Disabled, and won't be physically able to go in to Vote. Elderly and Disabled should always be able to vote by mail. That's why we give our Birth certificate, valid mail for Address, and get Real ID in the state of Oregon at the DMV to also register to Vote. Please vote No, or at least make ammendments for Disabled and Elderly to continue voting by mail.
