

Submitter: Christie Mayer

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

My name is Christie Mayer. I've lived in several US states and the District of Columbia and I vote in every election. Oregon has been my home since 2017 and I believe our mail-in voting system is the best system in the Nation. I oppose this effort to make in-person voting the standard method in Oregon.
