

Submitter:

Marjorie Griffith

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I have lived in Oregon for only two years and absolutely LOVE mail-in voting! It is so convenient. It certainly provides a great reminder for folks to VOTE and has been proven to be very safe and reliable as well as convenient. In this country we want MORE participation in the democratic process so whatever makes it easier for people to vote is wonderful!

PLEASE DO NOT PASS THIS BILL!
