SB210

I am writing to share my **STRONG** opposition to SB 210. As a parent of young children, with little support system, voting in person would place an undue burden on me as a citizen. I am proud that Oregon consistently ranks near the top of voter participation, and this bill would cause that number to drop dramatically. Voting by mail also allows me to be a better informed voter and reference the Oregon Voters' Pamphlet while voting.

Oregon's mail in voting program has had bipartisan support for decades and should **NOT CHANGE**. Do not make it harder for Oregonians to vote! Keep our successful voting methods in place, just the way they are!
