

Submitter:

Nancie Ryan

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I'm in support of in person, ID verification , paper, ballots, hand counting, same day voting in the state of Oregon. There are too many disenfranchised voters due to not trusting the elections system in Oregon. The majority of citizens in our state believe the elections are rigged.

I urge you to support this bill too!!
