

Submitter:

Denise DelGiudice

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

If I were required to vote in person, I would not be able to vote. Many people have physical disabilities as well as chronic illness and can not travel, wait on line to vote or operate a voting booth. Oregon's vote by mail system allows votes to be counted efficiently and in a timely manner with fewer errors. It is imperative that we maintain the vote by mail system.
