SB210

I am writing today to say that I **STRONGLY** oppose the undue burden that would be placed on me by taking away mail-in voting. As a person who has a busy life, as do many Oregonians, mail-in voting has been an essential tool to participate in our democracy. I am proud Oregon consistently ranks near the top for voter participation and this bill would significantly cause that number to fall. Vote by mail also allows me to be a better informed voter and reference the Oregon's Voter's Pamphlet while voting. Oregon's mail in voting has had bipartisan support for decades and **SHOULD NOT CHANGE!** Do not make it harder for us to **VOTE!!**
