

Submitter: Katelyn Hong

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I STRONGLY oppose the repeal of mail-in voting as the standard in Oregon for a few of many reasons:

- Mail-in voting increases accessibility of voting for thousands of Oregonians
- Mail-in voting increases voter turnout significantly
- Mail-in voting is proven to be just as (if not more) efficient and safe as in-person voting

Repealing mail-in voting as the default will disenfranchise thousands of Oregonians.
