

## SB 210 Testimony – OPPOSED

To whom it may concern,

Please register my opposition to Senate Bill 210 requiring in-person voting. Oregon's vote by mail system has proven itself effective, economical, and non-partisan, while increasing citizen participation in voting. The proposed SB 210 will make it harder to vote for many, and will disproportionately make it harder to vote for rural, elderly, poor, and minority voters. It is a highly partisan effort to restrict voting under unsubstantiated claims of voter security.

PLEASE REJECT SB210.
