

Submitter:	Cynthia Milenkovich
On Behalf Of:	Myself
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

As a senior citizen with medical issues that sometimes make it impossible to travel, voting by mail is the only way to ensure my participation in any election 100-percent of the time per opportunity. I pay my taxes and want every opportunity to vote be fulfill-able until I die! Please do not infringe on voting by mail! Everyone who CAN vote should have access to vote by mail whether it is a preference OR a necessity!
