SB210

Opposing SB210... utterly disgusted at attempts by MAGA nutjobs to suppress the vote in OR. That buffoon of a Port Orford senator needs to present some real evidence ... we know he has none. Maybe Giuliani can help him out?

Stop wasting time and money, everyone knows vote by mail works. It's safe, it's convenient, it increases turnout (their biggest fear). And it allows the elderly and frail to participate! Thank you.
