

Submitter: Ryan Johnson

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

How tiresome, these christo-fascists think they can just slip their little Project 2025 agenda through.

Republicans want to get rid of vote by mail to disenfranchise Democrats who prefer to just send the ballot in via the tax supported United States Postal Service.

These people should legitimately be laughed out of the room.
