SB210

I'm writing in opposition to SB 210.

Oregon has one of the most secure and trusted vote-by-mail systems in the country. Switching to in-person voting would be unnecessary, expensive and disruptive. We do not have the infrastructure to support full in-person voting. This bill creates chaos where there is none.

It's not about fixing anything ... it's about breaking something that already works.

Let's protect our democracy.
