

Submitter:	Jeremy Burg
On Behalf Of:	Myself and many others
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

By requiring in person, day of voting, you create an unnecessary barrier to access for the general public to have a voice in our government. I suspect that this is the malicious intent the bill was designed for, to strip people of their power under the guise of ballot security. Oregon has one of the highest voter turnout rates, because the of the system we have in place.
