

Submitter: Fred Engelmann

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Oppose SB210! And all attempts by MAGA to suppress the vote.  
The system works. It's been proven.

Worse tho, and SO OREGON, is that I had to make three attempts to submit this.

But hey, it gets shorter and sweeter each time.

And speaking of time, please stop wasting it!
