

Submitter: Brandon Branch

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I am writing to express my strong opposition to any attempt to remove mail-in voting in Oregon. Our state has long supported accessible, secure elections, ensuring that every eligible voter has the opportunity to make their voice heard. Mail-in voting works. It increases voter turnout, builds trust in our democracy, and has no reputable evidence of widespread fraud. An introductory bill to repeal this already popular and proven process would undermine the will of Oregonians. It would be a blatant suppression of votes and only serves to further Trump and Musk's authoritarian, oligarchic agendas.

Make us proud and please vote NO on this bill.

Sincerely,
Brandon Branch
