SB210

I am opposed to house bill SB210 that seeks to end mail in voting in Oregon.

Our state's mail in voting is a very successful, citizen friendly and a well run, highly respected equitable and safe voting system.

I am opposed to ending a system that works well and going back to other methods that are fraught with problems.

We have a safe effective system that is respected in our state and country. The only people that would wish to get rid of it, are people that do not wish for a democracy to work properly. Or put another way they want to make it harder for people to vote.
