

Submitter: Jeremy Garber

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I oppose measure SB 210 wholeheartedly. The only thing more anti-Oregon than passing this bill would be cutting down all of our Douglas firs, stomping out the Oregon grape, hunting all of our western meadowlarks, or poisoning our Chinook salmon.

Our VBM system should be the gold standard that other states aspire to!
